

## Board of Directors – General Organization

### **Policy Title: Legal Status of the School Board Code 201.2**

The Board of Directors of the Linn-Mar Community School District derives its legal status from the Constitution of the state of Iowa and the statutes enacted by the General Assembly.

The Board of Directors acts as an agent of the state in developing an educational program in accordance with the constitution and laws of the state of Iowa.

The board is organized for the purpose of setting policy and providing general direction for the school district.
