To whom it may concern,

I am submitting this challenge to the validity of 25 signatures on the nomination papers of Geralyn Jones for her name to be placed on the ballot for Linn Mar School Board. It is apparent that individual signatures were made by the same individual on multiple occasions and that these invalidate signatures should not be used in meeting the required signatures to be on the ballot for the Linn Mar School Board. Please see the attached copies of the nomination papers with the questionable signatures highlighted.

I am a resident of the Linn Mar School District and wish to have these nomination papers reviewed to see if they adhere to legal requirements for submittal and to have the name on the ballot.
