

Diseases Reportable to Iowa Department of Public Health Disease Reporting Hotline (1-800-362-2736)

Report information requested on disease reporting form, which may be obtained by calling 1-888-398-9696.

Emergency Reportable Diseases or Conditions: Report by Phone Immediately

- Botulism, Cholera, Diphtheria, > Haemophilus Influenza Type B Invasive Disease, # Measles, > Meningococcal Invasive Disease, Plague, # Polio, Rabies (human), Vancomycin-Resistant Staph Aereus, Yellow Fever

Also, outbreaks of any kind, unusual syndromes, and uncommon diseases should be reported immediately by phone. These could be infectious, environmental, or occupational in origin and include food-borne outbreaks and illness secondary to chemical exposure (e.g. pesticides, anhydrous ammonia).

Agents of Terrorism

Diseases or syndromes of any kind caused by a biological, chemical, or radiological agent or toxin when the provider reasonably believes or suspects that the agent or toxin may be the result of a deliberate act such as terrorism. Examples of these agents or toxins include but are not limited to anthrax, mustard gas, sarin gas, ricin, tularemia, and smallpox.
