Re: Early Graduation

The following students have applied for early graduation at the end of 3rd Quarter in April, 2021:

Macy Deutmeyer
Grace Jessen
Brooke Lane
Evan Nelson
Calvin Pfab
Preston Pfeiffer
Jaddlei Rawlins
Cody Rocho
Abigail Strelow
Abraham S. Tweh
Carter Vieth

These students have a post-secondary education plan in place that has been developed with the Linn-Mar High School counseling and COMPASS staffs. These students are on track to meet or exceed Linn-Mar's requirements for graduation by the end of this 3rd Quarter.

I recommend the approval of this request pending the successful completion of current course work.
