OVERVIEW:

The Linn-Mar School District facilities are owned, maintained, and supported by the public. The Board of Education actively seeks to respond to the educational, recreational and cultural needs of its community through the total resources of the community schools. The use of school facilities as centers for community participation should be encouraged whenever those activities are beneficial to the community-at-large. However, all school facilities and outdoor areas have been primarily erected and maintained for the use of the students of Linn-Mar Schools and shall not be used for any other purpose that will conflict with that primary use.

The facilities of the school district may be made available for use by certain local, social, civic or service organizations when the use does not conflict the education program or school-related activity, with due consideration given to the conservation of energy and District's expenses. Users of District facilities must comply with all federal, state, and municipal equal opportunity laws, regulations prohibiting discrimination, and School Board policies. Any activity connected with approved school programs will take precedence over any request for use of facilities for any other purpose. The Board reserves the right to deny use of District facilities to any group.

This document outlines administrative policies, guidelines, and processes for community use of school facilities and grounds in the Linn-Mar Community School District (hereafter referred to as the District). Please read this manual thoroughly before completing a Facility Request Form.

SCHEDULING OF FACILITIES:

- Types of Activities prohibited:
 1. District facilities shall not be used for the teaching or propagating of any theory or doctrine of a subversive nature which is intended to undermine or overthrow the constituted government of the United States.
 2. Possible controversial issues that may cause disunity and disharmony among those supporting the general welfare shall be cause for refusing facility use.
 3. Facilities may not be used for private parties, social events, celebrations, or other similar private uses.

- Rental of facilities is for occasional or temporary use, but not regular or ongoing use.

- Only indoor sports/activities will be provided indoor facility space for practices.

- School facilities are not normally available for rent on school designated holidays and over school breaks (including Summer break). The superintendent or designee may allow use at these times if such use does not interfere with facility maintenance/cleaning schedules and contingent upon availability of adequate personnel.

- When school is cancelled or dismissed early for weather related or other reasons, all rentals will be cancelled. The school district also reserves the right to cancel non-school days (including weekends) rental activities when the conditions are deemed unsafe.

- Facility use regulations, fees, and other terms for Before/After School Programs contracted with District will be detailed in their individual Board approved agreements.

FACILITY REQUEST PROCESS:

1. Organizations, individuals, and other entities interested in using District facilities and/or grounds should make such requests through the office of the Executive Director of Support Services. A completed Facility Request Form must be submitted to the Support Services office a minimum of two weeks in advance of the requested date for all facilities except Linn-Mar Stadium and Linn-Mar Aquatic Center. For the Stadium and Aquatic Center, a completed Facility Request Form must be submitted a minimum of six-months in advance of the requested date.
2. Upon receipt of a request, Support Services will determine the availability of the facility/area requested and the proper user group classification based on the Fee Schedule.
3. Once classification is determined, Support Services will determine the appropriate charges (if any) for the use of District facilities based on classification, activity, personnel costs, equipment, fee schedule, and deposits. When necessary, additional fees may include such things as cleaning fees, failure to cancel a reservation, law enforcement supervision, replacement or repair for damage or theft, or other costs. All or a percentage of the estimated usage and personnel fees for a group's activity may be required to be paid prior to facility usage.
4. The extent of District staff (building supervisors, custodians, technicians, food service, etc.) needed by groups reserving school facilities will be determined by Support Services.
5. Permission granted for facility usage by Support Services shall be made in writing through the signing of a Facility Use Agreement with the representative making the request.

The District reserves the right to cancel or postpone any activity due to conflict, disregard of policies, or other uncontrollable circumstances, including Class A activities (see User Group Classifications). If approval has been given to a group to use facilities and it is later determined that the facilities will not be available, notice of cancellation shall be given to the applicant as soon as possible with reasons for the cancellation. District administrators, the designated building supervisor, custodian, or other District staff on duty have the right to terminate any activity at any time due to violations of Board policies and rules, or federal, state, or municipal laws, or if the activity is deemed to be hazardous to people, buildings, or equipment.

7. Groups whose requests have previously been approved and wish to cancel must give at least 72-hour notice. Failure of timely cancellation notification will result in a minimum cancellation fee or the costs incurred to the District in anticipation of the group's use, whichever is greater.
