# Menu Planning

**Fruit:** Minimum ½ cup offered daily

**Vegetables:** Minimum of ¾ cup offered daily. Vegetables are broken down into dark green, red/orange, beans/peas, starchy and other. Weekly minimums are in place for each category. Students are required to select ½ cup fruit or vegetable

**Grains:** 1 ounce offered daily. All grains must be whole grain rich. Minimum of 8 oz. offered per week.

**Meat/meat alternate:** 1 ounce offered daily. Minimum of 8 oz. offered per week.

**Fluid milk:** 1 cup offered daily. Milk must be skim or 1%. Flavored milk must be fat-free. (For students with lactose intolerances or allergies, milk substitutes must be nutritionally equivalent to dairy milk.)

**Calories:** Daily average over one week required to be between 550-650/600-700/750-850 calories

**Saturated fat:** Daily average over one week required to be less than 10% per week

**Sodium:** Daily average over one week required to be less than 1,230/1360/1420 mg per week

**Additional Considerations:**

Do students like the food?

Do the plate “colors” look appealing?

Can we mass produce and satellite the food items?

Will the items “hold” for service at satellite schools?
