OVERVIEW

The Linn-Mar Community School District facilities are owned, maintained, and supported by the public. The board actively seeks to respond to the educational, recreational, and cultural needs of the community through the total resources of the community schools. The use of school facilities as centers for community participation should be encouraged whenever those activities are beneficial to the community-at-large. However, all school facilities and outdoor areas have been primarily erected and maintained for the use of the students of the district and shall not be used for any other purposes that will conflict with this primary use. ([Refer to Policy Series 1004](#))

The facilities of the district may be made available for use by certain local, social, civic, or service organizations when the use does not conflict with the education program or school related activities, with due consideration given to the conservation of energy and district expenses. Users of district facilities must comply with all federal, state, and municipal equal opportunity laws, regulations prohibiting discrimination, and board policies. Any activity connected with approved school programs will take precedence over any request for use of facilities for any other purposes. The board reserves the right to deny use of district facilities to any group.

This document outlines administrative policies, guidelines, and processes for community use of school facilities and grounds in the Linn-Mar Community School District (hereafter referred to as “the district”). Please read this manual thoroughly before completing a facilities request form via the district website (www.Linnmar.k12.ia.us).

For questions regarding the use of district facilities, please contact the Operations Office at 319-447-3145.

SCHEDULING OF DISTRICT FACILITIES

1. Types of activities prohibited:
 - a. District facilities will not be used for the teaching or propagating of any theory or doctrine of a subversive nature which is intended to undermine or overthrow the constituted government of the United States;
 - b. Possible controversial issues that may cause disunity and disharmony among those supporting the general welfare will be cause for refusing facility use; and/or
 - c. Private parties, social events, celebrations, or other similar private uses.
2. Rental of district facilities is for occasional or temporary use, not for regular or ongoing use.
3. Only indoor sports/activities will be provided indoor facility space for practices.
4. No overnight stays will be permitted.
5. Facility rental times cannot be requested before 6:00 AM and must end no later than 10:00 PM.
6. It is within the discretion of the superintendent to allow use of district facilities on Sundays.
7. School facilities are not normally available for rent on school-designated holidays and over school breaks (including summer break). The superintendent [or designee] may allow use at these times if doing so does not interfere with facility maintenance/cleaning schedules and is contingent upon availability of adequate personnel.
8. When school is cancelled or dismissed early for weather-related or other reasons, all facility rentals will be cancelled. The district also reserves the right to cancel non-school day (including weekend) facility rentals when the conditions are deemed unsafe.
9. Facility use regulations, fees, and other terms for before/after school programs contracted with the district will be detailed in their individual board-approved agreements.
10. The district reserves the right to reject any or all applications, as well as the right to rescind, modify, or amend any or all rules or regulations or to make exceptions.

FACILITY REQUEST PROCESS

1. Organizations, individuals, and other entities interested in using district facilities and/or grounds should make such requests online through the Linn-Mar website (www.Linnmar.k12.ia.us). An online facilities request form must be submitted a minimum of two weeks in advance of the requested date for all facilities, except for the Stadium and Aquatic Center. For the Stadium and Aquatic Center, an online facilities request form must be submitted a minimum of six months in advance of the requested date.
2. Upon receipt of a request, the Operations Office will determine the availability of the facility/area requested and the proper user group classification based on the fee schedules.
3. Once classification is determined, the Chief Financial/Operating Officer will determine the appropriate charges (if any) for the use of district facilities based on classification, activity, personnel fees, equipment, fee schedule, and deposits. When necessary, additional fees may include but not be limited to cleaning fees, failure to cancel a reservation, law enforcement supervision, replacement or repair for damage or theft, or other costs. All, or a percentage of, the estimated usage and personnel fees for a group's activity may be required to be paid prior to facility use.
4. The extent of district staff (building supervisors, custodians, technicians, Nutrition Services, etc.) needed by groups reserving district facilities will be determined by the Chief Financial/Operating Officer.
5. Permission granted for facility usage by the Operations Office will be made electronically.
 - a. It is the responsibility of the group's representative to read the *Facilities Use Manual* and be aware of all guidelines for usage, as well as any other specific instructions set forth by district, buildings, or administrative staff.
 - b. An electronically signed facilities use agreement, including proof of insurance (required for Class D and Class E groups), must be submitted to the Chief Financial/Operating Officer prior to rental. The submitted certificate of insurance must be in the amount of at least \$1,000,000 per occurrence/\$2,000,000 aggregate and show coverage dates.
 - c. The district reserves the right to cancel or postpone any activity due to conflict, disregard of policies, or other uncontrollable circumstances including Class A activities (Refer to user group classifications). If approval has been given to a group and it is later determined that the facilities will not be available, notice of

cancellation or change of venue will be given to the group's representative as soon as possible with reasons for the cancellation or change. District administrators, the designated building supervisor, custodian, or other district staff on duty have the right to terminate any activity at any time due to violations of school board policies; federal, state, or municipal laws; or if the activity is deemed to be hazardous to people, buildings, or equipment.

6. A 72-hour notice is required to request approval for any changes in the initial request requirements. The district cannot guarantee any requested changes made after this deadline. Changes to initial request requirements may be subject to additional fees.
7. Groups whose requests have previously been approved and wish to cancel must give at least a 72-hour notice. Failure of timely cancellation notification will result in a minimum cancellation fee or the costs incurred to the district in anticipation of the group's use, whichever is greater.
8. On the dates of the event, access to the district facilities will be granted through a designated staff member or a district-issued key/access card. A \$10.00 deposit is required for a district-issued key/access card.
9. Upon completion of the rental event and, if applicable, the district will invoice the group's representative for outstanding charges related to the rental activity.
