RAPTOR® SUPPORT
TECHNOLOGIES

“By connecting student wellbeing and safety, schools can proactively mitigate risks and respond faster to better protect every child, every school, every day.” - Raptor Technologies

Things going well:

- Increased safety/security
- Ease of recording volunteer time
- Reporting and data capabilities
- Event preparation
- Application/renewal process
- Making incremental improvements

Things that need some work:

- Required updates sometimes create a lapse/lag in service
- Ensure all buildings understand/utilize it to full capability
- Continued Visitor/Volunteer training

VOLUNTEER INVOLVEMENT: COMMUNITY WORKERS

Community Worker/ Volunteers

- **Space**
- **Chef**
- **Firefighter**

Volunteers provided audio file of questions & pictures of them in action.

Elementary ELL learners were able to utilize their listening/writing skills and create their own presentation booklets.

Would you like to be a firefighter when you grow up? Why or why not?

I want to be a firefighter because I can put out fires.

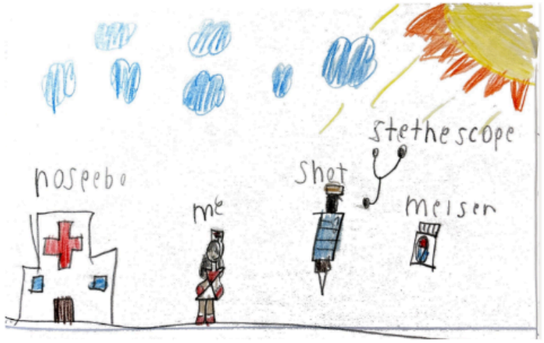

Do you want to be a chef when you grow up? Why or why not?

I want want to be a chef, because I like cutting foods. I like the smell of the foods . I like to make people happy.

Do you want to be a nurse when you grow up? Why or why not?

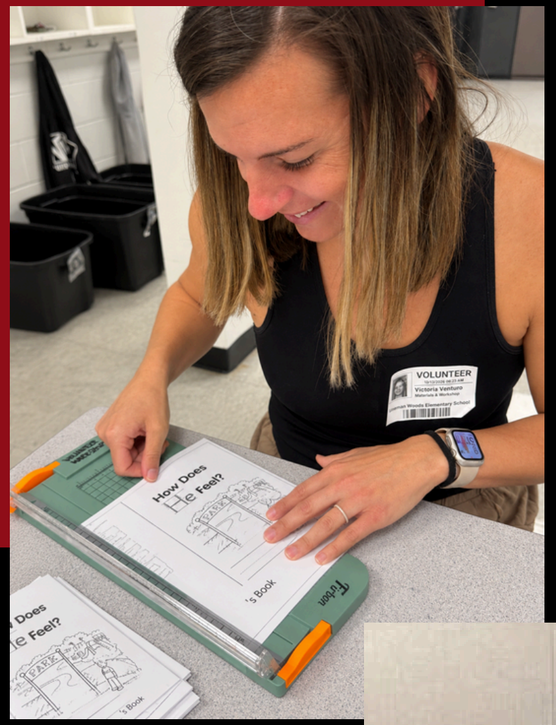

I want to be a nurse, because they help people.
