Linn-Mar CSD 2019-20 Legislative Priorities

Board-approved on 7/15/19

- 1. Mental Health:** Supports efforts to establish comprehensive, community mental health systems to offer preventative and treatment services and comprehensive, school mental health programs that include in-school access for students to mental health professionals and provisions for reimbursement by Medicaid and private insurers. Supports additional ongoing teacher, administrator, and support staff training to improve the awareness and understanding of child emotional and mental health needs. Supports incentives for workforce development for mental health professionals in schools.
- 2. Special Education-State:** Supports predictable and timely state funding to serve students receiving special education services at a level that reflects the actual cost, including educational programming and health care costs.
- 3. Supplemental State Aid (SSA):** Supports setting SSA for FY 2020 by 1/31/19, for FY 2021 and future budget years at least 14 months prior to the certification of the school's district budget, and at a rate that sufficiently supports local district efforts to plan, create, and sustain world-class schools. Setting SSA within the statutory requirements allows districts to make sound financial decisions on programs, staffing levels, and provide the best possible education to all students. IASB supports a formula-driven method for establishing the SSA growth rate if it is not set within the statutory requirements.
- 4. Unfunded Mandates:** Opposes any new mandates that do not provide sufficient and sustainable funding for successful implementation.

2020 IASB Legislative Resolutions

STUDENT ACHIEVEMENT AND ACCOUNTABILITY

1. RESEARCH-BASED INITIATIVES

Supports implementation of initiatives in Iowa's Pre-K-12 education system that:

- Are research-based;
- Are focused on student achievement, and;
- Do not "re-purpose" existing education funds.

2. STANDARDS AND ACCOUNTABILITY

Supports continued progress in the development of rigorous content standards and benchmarks that reflect the real-world knowledge and skills students need to graduate from high school prepared for college or to enter the workforce, including the following state actions:

- Provide and fund technical assistance to help school districts fully implement the Iowa Core Content Standards which define what students should know and be able to do in math, science, literacy, social studies, and 21st Century skills in areas such as financial and technological literacy;
- Continue to improve the implementation of the statewide assessment to ensure alignment to the Iowa Core Content standards and provide the necessary funding and technological capacity for every student to successfully complete the assessment;
- Support research-based professional development that provides educators with training, support and time to work together so that they can successfully teach a rigorous curriculum to all students. Ensure that curriculum decisions about how to teach remain in the hands of local schools and teachers;
- Include and fund all the components of successful standards systems: assessments aligned to high expectations, improved and aligned instruction and quality professional development.

IASB supports development of model content standards, recommended assessments and professional development supports in additional content areas but opposes expanding accountability, reporting and accreditation requirements in these areas.

3. PRESCHOOL

Supports continued funding to ensure that all 4 and 5-year-olds have access to the Statewide Voluntary Preschool Program.

Supports an increase in funding from the current weighting of 0.5 to 1.0 full-time equivalent to increase the ability of districts to provide services such as full-day programming and transportation to ensure that all 4 and 5-year-olds have the ability to attend the Statewide Voluntary Preschool Program.

Districts should be given maximum flexibility to assign costs to the program.

4. EARLY LITERACY

Supports the continued development of and funding for research on best practices for improving proficiency in early literacy strategies.

Supports continued funding for professional development and classroom intervention strategies focused on implementing best practices for early literacy in grades PK-3.

2020 IASB Legislative Resolutions

Supports additional funding for programs designed to ensure that all students meet literacy expectations by the end of 3rd grade.

5. ENGLISH LEARNERS

Supports sufficient and on-time funding for English-learners (EL) until the students reach proficiency.

6. DROPOUT/AT RISK

Supports the inclusion of dropout prevention and funding for at-risk students in the foundation formula and the inclusion of socio-economic status as a factor in determining a student's at-risk status. Opposes changes to the compulsory age of attendance unless sufficient funds are provided to implement strategies to retain those students.

7. MENTAL HEALTH

Supports efforts to establish comprehensive community mental health systems to offer preventative and treatment services and comprehensive school mental health programs that include:

- In-school and telehealth access for students to mental health professionals;
- Creation of a categorical funding stream designated for mental health professionals;
- Reimbursement by Medicaid and private insurers for in-school services;
- Ongoing teacher, administrator, and support staff training to improve the awareness and understanding of child emotional and mental health needs;
- Integration of suicide prevention and coping skills into existing curriculum;
- Expanding state-funded loan forgiveness programs to include mental health professionals who agree to provide services to schools; and

Supports full funding of the area education agencies to provide essential services in a cost-effective manner to school districts including, but not limited to:

- Special education;

14. BENEFITS

Supports allowing school districts to voluntarily enroll their employees in the state's health, dental and life/long-term disability insurance pools.

15. TEACHER RECRUITMENT & LICENSURE

Supports additional tools to attract individuals to the teaching profession, especially for teacher shortage areas including:

- Alternative teacher licensure upon completion of research-based teaching pedagogy training in addition to content knowledge in a curricular area;

- Reciprocity agreements with other states with high-quality education programs so as to increase diversity among our certified teachers and administrators;
- Expansion of programs such as: Teach Iowa Scholar, Troops to Teachers, Teacher Intern Program, and others as approved by the Board of Educational Examiners; and
- Programs designed to recruit teachers that will better match the demographic makeup of our student population.
- Advocate for funding of loan forgiveness programs and grants that will make education careers a viable option.

16. STAFF REDUCTIONS

Supports giving school districts and AEAs the option to waive the termination requirements in Iowa Code Section 279.13 to reduce staff in response to reductions in funding.

2020 IASB Legislative Resolutions

FISCAL RESPONSIBILITY AND STEWARDSHIP

18. SCHOOL FUNDING POLICY

Supports a school foundation formula that:

- Provides sufficient and timely funding to meet education goals;
- Equalizes per pupil funding;
- Provides a funding mechanism for transportation costs that reduces the pressure on the general fund and addresses inequities between school districts;
- Includes factors based on changes in demographics including socio-economic status, remedial programming, and enrollment challenges;
- Reflects actual costs for special education services;
- Incorporates categorical funding in the formula within three years; and
- Includes a mix of state aid and property taxes.

19. SUPPLEMENTAL STATE AID

Supports setting supplemental state aid:

- At a rate that sufficiently supports local districts' efforts to plan, create and sustain world-class schools;
- For FY 2021, by January 31, 2020; and
- For FY 2022 and future budget years, at least 14 months prior to the certification of the school's district budgets.

Setting supplemental state aid within the statutory requirements allows districts to make sound financial decisions on programs, staffing levels, and providing the best possible education to all students.

IASB supports a formula driven method for establishing the supplemental state aid growth rate if it is not set within the statutory requirements.

20. PROPERTY TAXES

Supports holding school districts harmless in property tax restructuring. Supports efforts to minimize property tax disparities created by the additional levy rate without compromising additional resources to school districts. Supports improved transparency and limits on the use of Tax Increment Financing (TIF) including the following requirements:

- To receive input from all affected taxing bodies before creation of a TIF district;
- To limit the duration of all TIF districts.

21. BOND ISSUES

Supports allowing school bond issues to be passed by a simple majority vote.

2020 IASB Legislative Resolutions

22. SPECIAL LEVY FUNDS

Supports flexibility in the use of special levy funds.

23. TAX BASE

Supports an independent, bi-annual cost-benefit analysis of all income, sales or property tax exemptions, credits or deductions. Creation of a new tax credit must undergo an independent cost-benefit analysis. IASB supports elimination of any tax credits that are deemed not effective and redirect any revenue increases from the elimination of those credits to enhance funding for public education.

Supports the legislature having sole authority to make revisions to definitions that impact taxes, restrict future tax bases or provide additional tax breaks that decrease revenue to the state and either directly or indirectly impact tax revenue for schools.

Opposes a constitutional amendment or statewide voter referendum that would limit taxes, spending or local control impacting education.

24. FRANCHISE FEES

Opposes the imposition of franchise fees on school corporations unless the board of directors agrees to such a fee.

25. UNFUNDED MANDATES

Opposes mandates that do not provide adequate and direct funding for successful implementation.

GOVERNANCE

26. LOCAL ACCOUNTABILITY AND DECISION-MAKING

Supports providing local school boards with decision-making authority regarding methods to accomplish desired educational outcomes. IASB opposes overly restrictive or inefficient limitations which inhibit innovation, efficiency, and the ability of school boards to meet local needs. Local accountability and decision-making includes:

- Student Achievement: As locally elected officials, school boards should have the ability to set priorities, customize programming, and maximize community strengths to improve outcomes for all students;
- Accountability & Reporting: Data collection for state accountability should enhance the ability of school boards to focus on student learning and school improvement. IASB supports streamlining state-level reporting on management operations and eliminating duplicative or inefficient reporting processes;
- Funding flexibility: School boards should have the ability to maximize existing resources to meet local needs;
- Transparency: School boards should have flexibility to provide public access to records in ways that promote transparency for citizens while balancing the cost to taxpayers.

27. EXPANDING EDUCATIONAL OPPORTUNITIES

Supports providing the flexibility to expand educational opportunities and choices for students and families. Educational options must remain under the sole authority of locally elected school boards charged with representing community interests and accountability. IASB supports efforts including:

29. SHARING AND REORGANIZATION

Supports continuation of sufficient incentives and assistance to encourage sharing or reorganization between school districts including the establishment of regional schools.

Districts should be given maximum flexibility to assign costs to the program.

- In-school and telehealth access for students to mental health professionals;

- Includes a mix of state aid and property taxes.

2020 IASB Legislative Priorities

SUPPLEMENTAL STATE AID

(RESOLUTION 19)

Supports setting supplemental state aid:

- At a rate that sufficiently supports local districts' efforts to plan, create and sustain world-class schools;
- For FY 2021, by January 31, 2020; and
- For FY 2022 and future budget years, at least 14 months prior to the certification of the school's district budgets.

Setting supplemental state aid within the statutory requirements allows districts to make sound financial decisions on programs, staffing levels, and providing the best possible education to all students.

IASB supports a formula driven method for establishing the supplemental state aid growth rate if it is not set within the statutory requirements.

**School Board Special Session Minutes
August 17, 2020**

100: Call to Order and Determination of a Quorum

The Linn-Mar School Board special session was called to order at 5:00 PM in the boardroom of the Learning Resource Center. Roll was taken to determine a quorum. Present: Buchholz, Isenberg, Lausen, Morey, Nelson, Wall, and Weaver. Administration present: Bisgard, Wear, Christian, Anderson, Breitfelder, and Ramos.

200: Adoption of the Agenda *Motion 001-08-17*

MOTION by Wall to adopt the agenda as presented. Second by Weaver. Voice vote, all ayes. Motion carried.

300: Informational Reports/Discussions

301: Cabinet Update – Exhibit 301.1

Superintendent Bisgard shared an update on the damage that resulted from the derecho, all buildings were damaged to some degree along with several buses.

302: Discussion of 2020-21 School Start Date

Superintendent Bisgard facilitated a discussion on a potential delay of the 2020-21 school start date. The board decided that the 2020-21 start date would be pushed back by three weeks. The delay will result in staff reporting on Monday, August 31st and PK-9th grade students on Monday, September 14th. Tenth through twelfth graders will begin on Wednesday, September 16th. An updated calendar reflecting the three-week delay will be presented for board approval during the August 24th board meeting.

303: Discussion of 2020-21 Return-to-Learn Plan

Superintendent Bisgard facilitated a discussion of the 2020-21 Return-to-Learn Plan. Bisgard reported that the number of requests for the Family Choice Model (100% at home learning) has grown from 562 on July 31st to 1,700 as of August 17th. This increase lowers the in-classroom social distancing issues (average classroom sizes now running around 18-19 students) but results in staffing challenges. The deadline for applying for the Family Choice Model has been extended until Friday, August 21st due to the surrounding power outages and connection issues for families. Bisgard also clarified that students attending in-person will begin the school year on the A/B Hybrid Model with PK-6th graders utilizing this model as a “soft start” for the first two weeks (Sept 14-25) and 7th-12th graders will utilize this model for the entire first quarter.

Board members shared concerns over enforcing face coverings, social distancing layouts for in-person classrooms, and the need to consider media reports that the percentages for positive COVID cases are inaccurate. Bisgard clarified that face coverings are required, face shields are optional, wearing face shields only is not an option, and that the requirement of wearing face coverings will be enforced for students and staff.

Motion 002-08-17

MOTION by Buchholz to approve the 2020-21 Return-to-Learn Plan as discussed with PK-6th grade following the A/B Hybrid Model for the first two weeks of the year (Sept 14-25) and 7th thru 12th grades following the A/B Hybrid Model for the first quarter. Second by Lausen. Voice vote. Ayes: Buchholz, Lausen, Nelson, Wall, and Weaver. Naes: Isenberg and Morey. Motion carried.

400: New Business**401: Open Enrollment Requests Motion 003-08-17**
